

Your Essential Partner in the Practice of Plastic SurgerySM.

The American Society of Plastic Surgeons[®] (ASPS[®]) was established in 1931 and is the largest and most comprehensive plastic surgery specialty organization in the world. With more than 7,000 members worldwide, the Society is recognized as the leading authority and information source on cosmetic and reconstructive plastic surgery.

ASPS embodies excellence in plastic surgery through education, research, intellectual exchange, advocacy, and promotes unity in the specialty of plastic surgery.

Mission of the ASPS

To advance quality care to plastic surgery patients by encouraging high standards of training, ethics, physician practice, and research in plastic surgery.

The Plastic Surgery Foundation[®]

The Plastic Surgery Foundation[®] (The PSF[®]) provides critical support for grants and research opportunities, international outreach, educational programs, and access to resources and technology to assist you in better serving the needs of your patients.

Apply for ASPS International Membership Today

If you have been actively engaged in the practice of plastic or reconstructive surgery for at least three (3) years and reside and practice in a country other than the United States or Canada, you may be eligible to become an International Member of the American Society of Plastic Surgeons.

Global Partner Network

Your National Society is part of the ASPS Global Network. Practicing surgeons who are active members of their National Society have a streamlined membership application process. Visit PlasticSurgery.org for a list of participating partner societies.

Cutting-Edge Educational Programming

ASPS offers educational programming and symposia that spans the entire spectrum of plastic and reconstructive surgery. As an ASPS International Member you are able to take advantage of these courses and programming at a discounted fee.

Plastic and Reconstructive Surgery

Plastic and
Reconstructive
Surgery®

Plastic and Reconstructive Surgery® journal brings readers the latest reports on maxillofacial reconstruction, burn repair, cosmetic reshaping, as well as news on medicolegal issues via print, online and its innovative, new iPad® app.

PRS Global Open (PRS Go) is a companion journal to the ASPS's flagship publication, *Plastic and Reconstructive Surgery*. It is an open access, rigorously peer-reviewed, international journal delivered in an electronic format.

Plastic Surgery Education Network – Bringing the Best of ASPS Education to You

The Plastic Surgery Education Network (PSEN) delivers a vast collection of multimedia-centric learning activities that you can experience in a self-paced environment. As your career transitions from residency to retirement, you will find that these resources will help you stay in tune with the continuous advancement in medicine.

International Members enjoy these ASPS benefits:

- Electronic subscription to *Plastic and Reconstructive Surgery*® journal
- Electronic subscription to *Plastic Surgery News*®
- Subscription to Plastic Surgery Education Network
- Discounted, Member-rate prices on ASPS programs, products, and services
- Discounted, Member-rate prices on Patient Education materials
- Listing in the online ASPS Member Roster
- Name and address listing on the ASPS website, PlasticSurgery.org
- Access to the Members only section of the ASPS website

International Candidates receive these ASPS benefits:

- Electronic subscription to *Plastic Surgery News*®
- Discounted electronic subscription to *Plastic and Reconstructive Surgery*® journal
- Discounted, Member-rate prices at symposia and the ASPS Annual Meeting
