AREAS OF SUPPORT

Focus on Members

Clinical Meetings
Clinical Meetings created and hosted by ASPS provide quality accredited education to practicing physicians, residents, medical students and allied health professionals. ASPS is the trusted source for the most leading-edge, scientifically-sound and diverse educational programming within the plastic surgery specialty.

Practice Management
Successfully operating a plastic surgery practice demands that both surgeons and staff be open to continuous change, innovation and improvement to stay competitive in an ever-shifting marketplace. ASPS and The PSF support plastic surgeons and all allied health professionals in the fluctuating landscape of practice management.

Wellness
ASPS Wellness initiatives are specifically targeted to help combat the rising epidemic of physician burnout. Unlike stress, burnout does not allow a physician to take a few days off to “recharge their batteries.” Instead, lifestyle and practice change is ultimately required to return a physician to peak performance. Burnout has been linked to lower quality of care, higher medical error rates, lower patient satisfaction rates and higher malpractice risk. We seek to change that through ASPS Wellness Initiatives.

Women Plastic Surgeons
The WPS forum empowers female plastic surgeons within the Society through networking, education, advocacy and mentoring. The WPS forum works to promote female plastic surgeons and increase their involvement within both organized medicine and plastic surgery as a whole while simultaneously advancing the mission of ASPS.

Affiliates and Managed Organizations of ASPS
Over the last three years, ASPS has worked to expand and deepen its connections in the Plastic Surgery space and, in doing so, has brought on several affiliate and managed organizations. Working as a partner, ASPS helps each organization ensure they have a successful program year after year by leveraging ASPS experience and staff.

- International Confederation of Plastic Surgery Societies (ICOPLAST)
- New York Regional Society of Plastic Surgeons (NYRSPS)
- Mountain West Society of Plastic Surgeons (MWSPS)
- International Society of Plastic Regenerative Surgeons (ISPRES)
- Migraine Surgery Society (MSS)
- World Society for Simulation Surgery (WSSS)
- Virginia Society of Plastic Surgeons (VASPS)

Focus on the Patient

ASPS Global Partners
ASPS has almost 3,300 international members from 105 different counties. ASPS has signed formal agreements (Memorandum of Understanding) with national plastic surgery societies around the world that have achieved a high standard in plastic surgery.

This agreement provides for mutual recognition of standards, governance and ethics; and acknowledges the eligibility of all members of each National Society to join the other as an International Member.

Our societies are entering with a spirit of mutual cooperation and sharing of information, acknowledging that each country wishes to participate jointly in improving standards and cooperation by plastic surgical organizations around the world.

Scan code to view ASPS Global Partners

Patient Safety
ASPS is in a unique position to leverage data generated by our surgeons in order to identify opportunities for the advancement of patient safety within the specialty. ASPS education and initiatives use this data to create effective programming that positively impacts patient outcomes.

Public
ASPS is dedicated to providing timely and accurate educational opportunities for the public regarding reconstructive and aesthetic plastic surgery procedures. From patient education products to general education, ASPS works to ensure that potential plastic surgery patients are informed about their opportunities and choices before making decisions.
**FOCUS GROUPS**

This is the ultimate advisory board opportunity for any company focused on products for plastic surgeons. How valuable would it be for you to spend one dedicated hour with key experts and opinion leaders in plastic surgery? A PSF Industry Focus Group offers the opportunity to not only have in-depth discussions with 6-10 plastic surgeon thought leaders, but also to receive unbiased feedback on the topic of your choice.

The Focus Groups are ideal for:
- Start-up companies with a product developed to serve the plastic surgery field
- Plastic surgery industry partners with an innovative product or idea for a product not yet on the market
- Any company wishing for unbiased feedback about current or planned products or future product ideas

A dedicated PSF staff member will work with you to ensure your session is tailored to meet the specific goals of your company and a session moderator will help you achieve a productive, beneficial session. As an added benefit, all proceeds from the Industry Focus Group Sessions go directly to support research funded by The Plastic Surgery Foundation. Your participation supports the research efforts of our Society, while providing you with high-level input from the ASPS community.

**PSF INDUSTRY FOCUS GROUP:**
- ASPS provides 6-10 key opinion leaders in your target market, an expert moderator, AV-equipped space, food and beverage
- Option to add on 30 minutes for an additional $5,000
- Option to add on a non-disclosure agreement for participants for an additional $1,000

Virtual Focus Group: $10,000
In-Person Focus Group: $15,000

---

**AREAS OF SUPPORT**

**Focus on the Future**

**Residents**
Residency comes with the unique challenge of focusing on clinical education and training while preparing to launch a practice. ASPS helps residents through residency and onto a successful career.

**The Plastic Surgery Foundation**
The Plastic Surgery Foundation supports the research and international activities of ASPS members. The PSF works alongside ASPS to support innovative ideas, teach researchers how to articulate the relevancy, impact and possibilities of those ideas, bring the right people together so that tested and meaningful ideas can reach the marketplace and assist volunteers as they take those new ideas along with tried-and-true procedures to all corners of the world.

**Research**
The PSF is committed to advancing high-quality clinical and health services research that promotes evidence-based medicine in plastic surgery. Through clinical trials, registries, research grants, awards, scholarships and fellowships, The PSF is designed to be the leading facilitator of evidence-based medicine with a focus on improving quality of care and patient safety.

**Advocacy**
Advocacy is a top priority for the American Society of Plastic Surgeons, and PlastyPAC plays an integral role in our advocacy efforts. It allows the society to support, educate and influence federal candidates who support the public policy goals of ASPS.

**Digital Reach**
The ASPS Education Network (ASPS EdNet) is a centralized, interactive educational website, created by surgeons for surgeons. ASPS University provides virtual courses for plastic surgeons and other medical professionals on both practice management and clinical topics. The Enhance Your Practice podcast serves as an educational appetizer for plastic surgeons and office professionals looking for practice management information on the go. The Plastic Surgery Hotseat is a clinical podcast featuring controversial topics or differing opinions on procedural paths.

In addition, ASPS provides a number of webinars and virtual meetings, extending its digital outreach to thousands of plastic surgeons around the world.
REGISTRIES AND CLINICAL STUDIES

ACTIVITY DESCRIPTION

The Plastic Surgery Foundation (PSF) and American Society of Plastic Surgeons (ASPS) are facilitating evidence-based medicine and quality improvement by bringing together plastic surgeons, other specialists, and government leaders who seek to answer important questions that can best be addressed through broad registry participation. The Plastic Surgery Registries Network (PSRN), the registry suite of ASPS/PSF, has been actively collecting plastic surgery data since 2002. The program has evolved over nearly 20 years from one registry to five registries, now collecting data on plastic surgery procedures, outcomes, devices, and rare diseases. The goal of the PSRN is to help plastic surgeons identify safe, effective treatments for their patients. PSRN registries also provide a means for quality reporting and practice improvement activities.

Opportunities Currently Exist to Support the Following ASPS/PSF Registries

TOPS
- Tracking Operations & Outcomes for Plastic Surgeons (TOPS) is a HIPAA compliant, secure and confidential national database of plastic surgery procedures and outcomes. Launched in 2002, this evidence-based tool provides the ability to efficiently follow patients over time and was designed to assist plastic surgeons with clinical decision making and practice improvement by identifying clinical strengths and areas needing improvement on an individual level with national benchmarking. TOPS contains more than 1.5 million plastic surgery procedures with nearly 20 years in clinical use. All ASPS members and candidates for membership who practice in the U.S. are encouraged to participate in the TOPS program.

NBIR
- The National Breast Implant Registry (NBIR) in collaboration with the FDA and breast implant device manufacturers to help advance that commitment. The NBIR is a quality improvement initiative and safety surveillance registry that collects clinical, procedural and outcomes data at the time of operation and any subsequent reoperations for all U.S. patients receiving breast implants.

GRAFT
- General Registry for Autologous Fat Transfer (GRAFT) is a web accessible database for tracking procedures and outcomes of fat grafting performed for aesthetic or reconstructive indications. All board-certified plastic surgeons within the U.S. and ASPS members in Brazil and Canada are eligible to participate. Data collected in GRAFT provides insight into safety and efficacy of fat grafting procedures and can be used for physician benchmarking and quality improvement activities. The collective data in GRAFT will lead to discovery of new trends, improve patient outcomes and have a broad impact on the future regulatory decisions. GRAFT collects clinical, procedural and outcomes data at the time of operation and any subsequent reoperations for all U.S. patients receiving breast implants.

RESEARCH SCHOLARSHIPS AND AWARD

The Plastic Surgery Foundation (PSF) supports investigators from the beginning of their careers, during residency, on up to well-established plastic surgeons by offering a comprehensive research grant program focused entirely on advancing innovation and clinical practice in plastic surgery. The PSF offers research and training grants ranging from $10,000 to $50,000. Every year, The PSF receives between 125 and 150 applications requesting more than $3 million dollars in funding for clinically relevant research and training. Support from corporate partners would increase the number of worthwhile requests that could be funded.

Here are some of the incredible research and training opportunities currently offered for plastic surgery residents, fellows and established plastic surgeons. The PSF welcomes the opportunity to collaborate with corporate partners on these or other worthy research and training initiatives.

NEW PSF Aesthetic Plastic Surgery Research Grant
- The PSF Aesthetic Plastic Surgery Research Grant is intended to support plastic surgeons in pursuing research in aesthetic/cosmetic plastic surgery.

Pilot Research Grants
- The PSF Pilot Research Grant is intended to support residents and junior faculty in their efforts to address focused research questions, obtain preliminary data to support larger grant proposals in the future and develop a line of research that can be carried forward into an academic career.

Corporate Support Opportunities
- Opportunities available for collaboration and sponsorship. Contact us if you are interested in learning more.
RESEARCH SCHOLARSHIPS AND AWARD (continued)

PSF Directed Research Grant - Breast Implant Safety
Studies designed to assess breast implant safety, including local and systemic complications and illnesses related to breast implants, will be considered. Proposals that examine implant surveillance techniques and imaging are also invited. Basic, translational and clinical research studies are all within scope. Applications will be evaluated based upon the importance of the study question, soundness of study design, demonstration of study feasibility through preliminary/pilot data, the quality of the investigator team and use of appropriate statistical and analytic methods.

Current Amount & Duration: Up to $50,000 for projects up to 2 years

PSF Diversity and Inclusion Grant
The PSF recognizes the importance of fostering a culture of diversity and inclusivity in the field of plastic surgery. Currently, healthcare disparities persist in the United States and within the field of plastic surgery. It has been well documented that patients are more likely to seek care from providers with cultural backgrounds (e.g. racial/ethnic, etc.) more similar to their own when these providers are available.

It is also imperative that we encourage an environment of inclusion within our plastic surgery workforce, which incorporates diversity in our leadership, to bring forth a variety of perspectives and opportunities for these leaders to contribute ideas and to serve as role models and mentors to encourage other students currently underrepresented in the specialty, to choose plastic surgery as a profession.

The goal of this pilot grant is to fund research projects that will lead to the identification and creation of prospective tools, resources, approaches and/or strategies for improving diversity and inclusion in plastic surgery, and these tools should be widely adoptable throughout the specialty. Projects that are retrospective or historical in nature are less likely to be competitive.

Current Amount & Duration: Up to $10,000 for 1-year pilot projects

Research Fellowships
The purpose of the Research Fellowship Grant is to encourage research and academic career development in plastic surgery. This grant is for salary support only for a Resident or Fellow to obtain training and experience in research, under the guidance of an experienced mentor. The application must describe a structured research training plan, in addition to a research project. Only already funded research projects will be considered.

Amount & Duration: Up to $50,000 for 1-year to be used for salary support only

MEDTECH INNOVATOR/ASPS PLASTIC SURGERY ACCELERATOR TRACK

The American Society of Plastic Surgeons (ASPS) is proud to have partnered with MedTech Innovator, the largest accelerator of medical devices in the world. MedTech Innovator matches healthcare industry leaders with innovative medical technology startups for mentorship and support. MedTech Innovator will select 50 medical technology startups to participate in this annual Accelerator and Showcase cohort. Under the partnership with ASPS, three companies will participate in a plastic surgery-focused track. Up to $500,000 in cash prizes plus in-kind awards will be available to this year’s accelerator companies.

As a 2023 Innovation Sponsor your company will receive a variety of benefits at key ASPS Accelerator events being held through May 2023. Please see below for a full list of benefits.

2023 Innovation Sponsor | $50,000
Recognized as Innovation Sponsor for the 2023 MedTech Innovator Accelerator and Showcase – Plastic Surgery Track on both ASPS and MedTech Innovator websites.
- Ability for sponsor to review applications submitted for the MedTech Innovator Accelerator and Showcase – Plastic Surgery Track.
- Ability for up to five company representatives to judge applications submitted for the MedTech Innovator Accelerator and Showcase – Plastic Surgery Track.
- Sponsor may attend as an observer in the Plastic Surgery Track Selection Committee Meeting.
- Formal introductions by ASPS to Plastic Surgery Track applicants of interest.
- Invitation for one (1) company representative to serve as a judge for the Plastic Surgery Track of the MedTech Innovator Accelerator and Showcase.
- Ability for one company representative to serve as a corporate mentor to participating companies of interest.
- Opportunity to attend MedTech Innovator reception held at ADVAMED conference.
- Recognized in promotional materials onsite, online and print.
MEDTECH INNOVATOR/ASPS PLASTIC SURGERY ACCELERATOR TRACK

(continued)

2023 Catalyst Sponsor | $100,000
- Recognized as Innovation Sponsor for the 2023 MedTech Innovator Accelerator and Showcase - Plastic Surgery Track on both ASPS and MedTech Innovator websites.
- Ability for sponsor to review applications submitted for the MedTech Innovator Accelerator and Showcase - Plastic Surgery Track.
- Ability for up to five company representatives to judge applications submitted for the MedTech Innovator Accelerator and Showcase - Plastic Surgery Track.
- Sponsor may participate in the Plastic Surgery Track Selection Committee Meeting and cast one vote on behalf of the company to determine the plastic surgery applicants to move forward to the MedTech Innovator Accelerator and Showcase.
- Invitation for three company representatives to serve as a judge for the Plastic Surgery Track of the MedTech Innovator Accelerator and Showcase.
- Opportunity for three company representatives to serve as a judge for the Plastic Surgery Track of the MedTech Innovator Accelerator and Showcase applications to proceed in the MedTech Innovator program.
- Ability for up to three company representatives to serve as a corporate mentor to participating companies of interest.
- Opportunity to participate in MedTech Innovator educational programming as appropriate.
- Formal introductions by ASPS to Plastic Surgery Track applicants of interest.
- Opportunity to attend MedTech Innovator reception held at ADVAMED conference.
- Recognized in promotional materials onsite, online and print.

2023 Plastic Surgery The Meeting - Innovation Challenge Sponsor | $25,000
- Recognized as an official sponsor of the 2023 Plastic Surgery The Meeting (PSTM) Innovation Challenge.
- One company representative may serve as a reviewer/rater of all Plastic Surgery Innovation Challenge applications.
- One company representative may serve as a judge as part of the live Plastic Surgery Innovation Challenge session at PSTM23.
- Opportunity to provide one maximum 8.5 x 11 double-sided promotional flyer for distribution at the Plastic Surgery Innovation Challenge session at PSTM23.
- Formal introductions by ASPS to Plastic Surgery Innovation Challenge applicants of interest.
- Recognized in Plastic Surgery Innovation Challenge onsite, online, and print marketing.
- Recognized in promotional materials onsite, online and print.

For additional information or to become a sponsor, please contact Renee Robbins at rrobbins@plasticsurgery.org or 847-228-3362.

BREAST RECONSTRUCTION AWARENESS CAMPAIGN

ACTIVITY DESCRIPTION

The Breast Reconstruction Awareness (BRA) campaign is sponsored by the American Society of Plastic Surgeons (ASPS) and The Plastic Surgery Foundation (The PSF). The Breast Reconstruction Awareness Campaign educates, engages and empowers women to make the reconstruction decision that is best for them following a diagnosis with breast cancer. That involves informing women, family members, caregivers and the media that the breast cancer loop remains open until a woman is informed of breast reconstruction options.

BREAST RECONSTRUCTION AWARENESS CAMPAIGN

CORPORATE SUPPORT OPPORTUNITIES

DIAMOND SPONSOR: $100,000

• Recognized as a Diamond Sponsor of ASPS/PSF Breast Reconstruction Awareness Campaign
• Opportunity to select one (1) company representative to serve on The PSF Breast Reconstruction Awareness Fund Appropriations Committee
• Company profile in Plastic Surgery News (PSN) acknowledging company support of BRA Campaign in October; exclusive to Diamond Sponsors
• Company recognition on social media ads reaching an estimated 1.2 million
• Recognized as exclusive supporter of the Breast Reconstruction Awareness promotional booklet
• Recognition in postcards mailed to over 6K US ASPS Members
• Company will be included in two (2) national press releases throughout: one (1) individual company-focused release and one (1) campaign-focused release in October; which will include all sponsors
• Quote contribution to Plastic Surgery News article or the Breast Reconstruction supplement about Breast Reconstruction Day published in October
• Recognition on thePSF.org the ASPS/PSF dedicated website to breast reconstruction awareness, including your company logo and a 100 words company description
• Recognition in the BRA Day Event PR Toolkit which is available to all BRA Day event hosts and affiliates who conduct events (ASPS members and public)
• Recognition in monthly social media campaigns
• Exclusive use of the Breast Reconstruction Awareness campaign logo for your own marketing collateral
• Recognition in ASPS/PSF Annual Reports
• Recognition in The PSF gallery at Plastic Surgery The Meeting
• Recognition at Breast Reconstruction Awareness event to be conducted in conjunction with Plastic Surgery The Meeting
• Right of first refusal for Breast Reconstruction Awareness event branding opportunities

GOLD SPONSOR: $50,000

• Recognized as a Gold Sponsor of ASPS/PSF Breast Reconstruction Awareness Campaign
• Opportunity to select one (1) company representative to serve on The PSF Breast Reconstruction Awareness Fund Appropriations Committee
• Company recognition on social media ads reaching an estimated 1.2 million
• Recognition in postcard sent to all ASPS members
• Company will be included in one (1) national campaign focused releases in October, which will include all sponsors
• Recognition on thePSF.org the ASPS/PSF dedicated website to breast reconstruction awareness, including your company logo and a 100 words company description
• Recognition in the BRA Day Event PR Toolkit which is conduct events (ASPS members and public)
• Recognition in monthly social media campaigns
• Exclusive use of the Breast Reconstruction Awareness campaign logo for your own marketing collateral
• Recognition in ASPS/PSF Annual Reports
• Recognition in The PSF gallery at Plastic Surgery The Meeting
• Recognition at Breast Reconstruction Awareness event to be conducted in conjunction with Plastic Surgery The Meeting

SILVER SPONSOR: $25,000

• Recognized as a Silver Sponsor of ASPS/PSF Breast Reconstruction Awareness Campaign
• Recognition in postcard sent to all ASPS members
• Company will be included in one (1) national campaign focused releases in October, which will include all sponsors
• Recognition on thePSF.org the ASPS/PSF dedicated website to breast reconstruction awareness, including your company logo and a 50 words company description
• Recognition at Breast Reconstruction Awareness event to be conducted in conjunction with Plastic Surgery The Meeting
• Exclusive use of the Breast Reconstruction Awareness campaign logo for your own marketing collateral
• Recognition in ASPS/PSF Annual Reports
• Recognition in The PSF gallery at Plastic Surgery The Meeting

BRONZE SPONSOR: $10,000

• Recognized as a Bronze Sponsor of ASPS/PSF Breast Reconstruction Awareness Campaign
• Recognition in postcard sent to all ASPS members
• Company will be included in one (1) national campaign focused releases in October, which will include all sponsors
• Recognition on thePSF.org the ASPS/PSF dedicated website to breast reconstruction awareness, including your company logo and a 25 words company description
• Recognition at Breast Reconstruction Awareness event to be conducted in conjunction with Plastic Surgery The Meeting
• Exclusive use of the Breast Reconstruction Awareness campaign logo for your own marketing collateral
• Recognition in ASPS/PSF Annual Reports
• Recognition in The PSF gallery at Plastic Surgery The Meeting
**INSIGHTS FROM INDUSTRY**

Don’t wait for a meeting to share your message with ASPS members! Conduct an Insights from Industry webinar with ASPS to share emerging science, product updates and launches, and more. Just like an in-person symposium, your company would construct the content of the webinar but ASPS will provide the platform, facilitate the registration process, and send out emails to promote the program. In addition, the webinar is recorded and placed on ASPS’s online education platform, ASPS Education Network (ASPS EdNet).

**CORPORATE SUPPORT BENEFITS**

**WEBINAR: $15,000**
- ASPS marketing and promotion via email, social media, and inclusion on the ASPS website.
- Webinars are hosted on ASPS EdNet for one year.
- A full list of registrants, including email addresses, will be delivered prior to the program.
- A full list of attendees, including email addresses, will be delivered post program.
- Evaluation results from the webinar post program.
- Recordings of the webinar are provided to the sponsor within one week of the program.
- Sponsor may select their target audience from the list below:
  - U.S. Members
  - U.S. Resident Subscribers
  - International Members
  - International Resident Subscribers
  - Office Administrators

**PODCASTS**

Join ASPS for our podcast series on practice management or clinical controversies, available in both the Apple and Android podcast stores. More and more, we’re absorbing information in small clips of audio. Whether driving in our cars or walking around the block, listening to podcasts is becoming an extremely popular pastime.

**CORPORATE SUPPORT OPPORTUNITIES**

**Podcast Sponsor: $5,000**
- Exclusive sponsorship of a podcast regular episode with host recognition at start and end of podcast episode.
- Opportunity to provide speaker or case study for discussion to be integrated as a segment in the episode (content/speaker must be relevant to podcast content).
- Inclusion of one pre-roll advertising placement.

**Special Edition Bonus Episode Sponsor: $12,000**
- Opportunity to identify a topic to be incorporated as a “special edition” bonus episode to an existing section.
- Ability to develop, script, record, and edit the content for an Enhance Your Practice Podcast (maximum of 25 minutes).
- Ability for sponsor to include Mid-Roll Advertisement the 25-minute timeline.
- Content must be reviewed and approved by ASPS Ed Net Chairs and/or Enhance Your Practice Podcast Chairs.
- ASPS podcast host will provide the introduction and wrap up the “special edition” episode.

**ADVERTISING OPPORTUNITIES**

**Pre-Roll Advertisement: $1,000**
- One (1) 15-second advertisement at the beginning of podcast for the host to discuss the sponsor’s product.

**Mid-Roll Advertisement: $1,500**
- One (1) 60-second advertisement with host discussing their experience with the sponsor’s product.

**Post-Roll Advertisement: $750**
- One (1) 30-second advertisement at the end of the podcast with audio provided by the sponsor.
RESIDENT EDUCATION

The Resident Education Center (REC) has been integrated into the curricula of most U.S.-based training programs for several years. The REC includes 88 modules of plastic surgery self-study content covering the breadth of plastic surgery practice.

The modules open with an outline of key section learning points and a required pre-test to gauge the base level of knowledge prior to exposure to the learning materials. Following the pre-test, the user is provided with at least five “best of” clinical journal articles to read, an audio-PowerPoint lecture to review, sample oral board cases to consider and, in many cases, surgical video to watch. Finally, the user is provided with a reading list of additional resources to study and a post-test, which includes remediation via discussion and references.

QUARTERLY SUPPORTER BENEFITS: $12,500 PER QUARTER
Senior Residents Kits help prepare resident surgeons for life beyond residency. The kits (one per quarter) include essential practice resources such as a complimentary subscription to CSAT, scrubs, ASPS patient education brochures and more. The sponsoring industry partner will have an exclusive opportunity to place informational inserts into the kits and ASPS will provide the sponsor with a mailing list of all residents and Young Plastic Surgeon members.

SENIOR RESIDENTS KITS

Event Overview
Online Self-Directed / Group Learning Program
Number of U.S. Resident Enrollees: 1,250
Number of International Resident Enrollees: 625
Target Audience: Residents
Used by more than 120 domestic training programs and residents from around the world

The Resident Education Center (REC) has been integrated into the curricula of most U.S.-based training programs for several years. The REC includes 88 modules of plastic surgery self-study content covering the breadth of plastic surgery practice.

The modules open with an outline of key section learning points and a required pre-test to gauge the base level of knowledge prior to exposure to the learning materials. Following the pre-test, the user is provided with at least five “best of” clinical journal articles to read, an audio-PowerPoint lecture to review, sample oral board cases to consider and, in many cases, surgical video to watch. - Social Media recognition of sponsorship
- Recognized in the quarterly publication, Plastic Surgery Resident
- Advertisement in Plastic Surgery Resident Email

NEW YORK REGIONAL ANNUAL MEETING 2023

Saturday, November 18, 2023 | Convene | 117 W 46th Street | New York, NY
Audience: New York Board-Certified Plastic Surgeons, Residents, Allied Health Professionals, and Plastic Surgery Office Professionals
Expected Attendance: 150

CORPORATE SUPPORT OPPORTUNITIES

PLATINUM: $10,000 (TWO AVAILABLE)
- Non-CME programming during lunch
- Recognition as sponsor of lunch
- Full page front-inside or back-outside cover advertisement in the program book™
- One skirted table in the exhibit hall with priority placement™
- A total of four (4) exhibitor badges
- Recognition as Platinum Sponsor on the website with company logo and 100-word company description
- 30 seconds advertising spot on the digital monitor (NEW)
- One (1) pre- and post-meeting attendee mailing list
- Program flyer in registration bag given to registered attendees
- Product sample in registration bag given to registered attendees

GOLD: $8,000 (TWO AVAILABLE)
- One skirted table in the exhibit hall
- A total of two (2) exhibitor badges
- Non-CME course during the afternoon break at the fall meeting
- Recognition as sponsor of afternoon break
- Program flyer in registration folder given to registered attendees
- One half-page advertisement in the program book
- Recognition as Gold Sponsor on the website with company logo and 50-word company description
- One (1) pre- and post-meeting attendee mailing list
- Recognition in all program materials: print, online, and on-site
NEW YORK REGIONAL ANNUAL MEETING 2023
(continued)

SILVER: $5,000
- One skirted table in the exhibit hall
- A total of two (2) exhibitor badges
- Program flyer in registration folder given to registered attendees
- One quarter-page advertisement in the program book
- Recognition as Silver Sponsor on the website with a 25-word company description
- One (1) pre- and post-meeting attendee mailing list
- Recognition in all program materials: print, online, and on-site

BRONZE: $2,500
- One skirted table in the exhibit hall
- A total of two (2) exhibitor badges
- Company listing in the printed onsite Exhibitor Directory
- One post-meeting attendee mailing list

DIGITAL ADVERTISING: $1,500
- 30 second digital advertisement looping on digital monitors
- Company Logo on all digital monitors

REGISTRATION BAG INSERT: $1,000
- Printed insert or product sample in registration bag
- Maximum size of the insert is 8.5x11 inches on 110lb cardstock
- Inserts can be double sided

“KNOW BEFORE YOU GO” EMAIL: $1,000
- Sponsor logo prominently placed at the bottom of the email sent to all attendees
- Sponsor logo linked to an external website

“THANK YOU” EMAIL: $1,000
- Sponsor logo prominently placed at the bottom of the email sent to all attendees
- Sponsor logo linked to an external website
- Opportunity to add one resource item attachment to the email

To inquire about these opportunities, please contact Erin Finnigan at efinnigan@plasticsurgery.org.

ASPS WOMEN PLASTIC SURGEONS

Delivery Format: In-Person Meeting
Date: February 1-4, 2024
Location: Santa Ana Pueblo, NM Hyatt Regency Tamaya
Target Audience: Women in Plastic Surgery 25-35
Expected Attendance: 150

ACTIVITY DESCRIPTION
Representing the interests of female plastic surgeon ASPS members and candidates for membership, the Women Plastic Surgeons (WPS) forum seeks to educate, empower, and collaborate with female plastic surgeons to increase their involvement within organized medicine and the plastic surgery specialty. The group’s annual symposium is a uniquely casual and intimate opportunity to connect with these influential women. Male members and candidate members of ASPS are welcome to participate in WPS-sponsored events. (Formally known as the WPS Retreat)

Platinum Sponsor: $20,000
- Recognized as Platinum Sponsor including logo, company description (100 words), and link to company website on ASPS website
- Recognized as Platinum Sponsor on virtual meeting platform including logo, company description (100 words), up to three resource links, and one video (up to five minutes)

The ASPS Plastic Surgery Coding Workshop combines the knowledge of our member surgeons, veteran professional coders and our Coding and Payment Policy Committee. This peer-reviewed, comprehensive course focuses on the broad issues of practice management and reimbursement and delves into the case based instruction of the new Coding standards. This year’s course will be available exclusively in an on-demand and virtual format with the opportunity to reach a larger audience than ever before. It will also feature recent updates to Evaluation & Management and Breast codes.

MWSPS Journal Club

Duration: 1.5 Hours
Average Number of Attendees: 25-35
Distribution List: 150

The Mountain West Society of Plastic Surgeons (MWSPS) are practicing plastic surgeons located primarily in the states of Colorado, Utah, Nevada, Arizona, Wyoming, New Mexico, and residents from the area’s respective universities. Membership is not exclusive to these states and is offered nationwide as the following has grown since their first successful annual meeting in 2015. The MWSPS Journal Club is a monthly virtual gathering of program directors from the core universities*, residents within their programs, and MWSPS members. ThreePRS papers are selected each month and discussed by three residents from three different institutions.

Note: Choice of time dependent upon order of received signed agreement

*As per the Accreditation Council for Continuing Medical Education (ACCME) Standards for Integrity and Independence in Accredited Continuing Education effective January 1, 2022, accredited providers must not share the names or contact information of learners with any ineligible company or its agents without the explicit consent of the individual learner. Therefore, mailing lists will include information of learners who have provided explicit consent for the sharing of their information with ineligible companies.

#Company representatives are welcome to attend educational programs in an observational capacity but restricted from participating.

Resident Scholarships: $1,250 (Ten Available)
Support the Advocacy Summit Resident Scholarship fund and allow a resident, the future of our specialty, the opportunity to engage in the dynamics of the plastic surgery community and advocate on behalf of the specialty. Each scholarship directly funds one resident attendee at the Advocacy Summit.

In recognition of your support, your organization will receive:
- One (1) invitation to attend the Summit as a non-member, including all on-site meals and sessions, through Tuesday’s lunch
- One (1) invitation to the Welcome Reception Cocktail Hour and Dinner
- Inclusion of one (1) insert in attendee registration folder
- Recognition adjacent to the Advocacy Summit Resident Scholarship program online and on-site

Advocacy Session Sponsor: $7,500
Plastic surgery is always facing a number of absolutely critical issues, and the Advocacy Summit addresses the hottest topics head on. Each issue has many sides and our attendees are interested in hearing all of them as they prepare to make their way to Capitol Hill the next day to lobby legislators for action on these important issues. Join in on the discussion by becoming a sponsor of one of the educational sessions.

As a sponsor of one or more sessions, your organization will receive:
- One (1) invitation to add a participant to the panel discussion - each session is at least one hour long
- Two (2) invitations to attend the Summit as a non-member, including all on-site meals and sessions, through Tuesday’s lunch
- Two (2) invitations to a cocktail hour with physician leaders from the PlastyPAC Board of Governors
- Two (2) invitations to the Welcome Reception Cocktail Hour and Dinner
- One (1) pre-meeting attendee mailing list
- Inclusion of one (1) insert in attendee registration folder
- Recognition in all program materials and marketing related to the selected session(s) in print, online, and on-site

Events

WOMEN PLASTIC SURGEONS LUNCHEON: $17,000 (Exclusive)
Expected Attendance: 150
More than 150 women from this special interest group gather to dine, network and celebrate their accomplishments. This event includes an opportunity for your company to make opening remarks and five (5) company invitations to attend. Your company will be recognized via onsite signage during the luncheon, in the Onsite Guide, the registration brochure and all pre-event marketing.

WOMEN PLASTIC SURGEONS NETWORKING RECEPTION: $15,000 (Exclusive)
Expected Attendance: 100
This is an outstanding opportunity to support an annual meeting event that celebrates the strides made by women in plastic surgery and is attended by more than 100 female plastic surgeons and their guests. This event includes an opportunity for your company to make opening remarks and five (5) company invitations to attend. Your company will be recognized via onsite signage during the reception, in the Onsite Guide, the registration brochure and all pre-event marketing.

INTERNATIONAL RECEPTION: $20,000 (Exclusive)
Expected Attendance: 150
An opportunity to network with over 150 up-and-coming ASPS plastic surgeons, this event includes an opportunity for your company to make opening remarks and five (5) company invitations to attend. Your company will be recognized via onsite signage during the reception, in the Onsite Guide, the registration brochure and all pre-event marketing.

PlasticSurgeryTheMeeting.com

EXHIBIT HALL NETWORKING RECEPTION SPONSOR: $20,000 (Exclusive)
Expected Attendance: 3,000
Attendees rank networking as one of the top reasons for attending Plastic Surgery The Meeting and engagement opportunities like The Exhibit Hall Welcome Reception give attendees more time to meet and connect. During this social hour, attendees will be able to mingle with exhibitors while sipping a drink and snacking on light hors d’oeuvres.
Benefit Details:
• Opportunity to have a beverage or snack station located adjacent to your exhibit booth
• Signage recognizing support prior to and during welcome reception
• Recognition in the Onsite Guide and on PlasticSurgeryTheMeeting.com

LOUNES

WPS LOUNGE: $30,000 (Exclusive)
Expected Reach: 500
Support the Women Plastic Surgeons Forum by providing exclusive attendee services to them during Plastic Surgery The Meeting. The WPS Lounge will be housed on the show floor and available to attendees during exhibit hours. It is a place for the WPS Members to relax and share their experiences as a Woman Plastic Surgeon.

Sponsor Recognition:
• Naming rights to the WPS Lounge
• Featured in promotional email to WPS attendees inviting them to visit the WPS Lounge
• Recognition in the WPS Lounge signage

INTERNATIONAL CENTER: $30,000 (Exclusive)
Expected Reach: 600
The international influence at Plastic Surgery The Meeting continues to grow year after year and the International Center is always the central hub for all international PSTM attendees. Traditionally a popular location for our international attendees to relax and socialize, this exclusive lounge allows for targeted exposure to the international community. Have exclusive access to touch base with the international community in the International Center.

MEET-UP POINT CHARGING LOUNES: $7,500
Expected Reach: 3,000
A networking event for our international colleagues to connect with global partners, the International Reception gives these members an opportunity to come together for an evening of fine cuisine and conversation. This sponsorship includes five (5) company invitations to attend and directly engage with attendees. Your company will be recognized via onsite signage during the reception, in the Onsite Guide, the registration brochure and all pre-event marketing.

RECHARGE & CONNECT EXHIBIT HALL LOUNGE: $25,000 (Exclusive)
Expected Reach: 3,000
Sponsor the Recharge & Connect Exhibit Hall Lounge and be a hero to attendees who seek a place to relax. The sponsorship includes a branded charging station inside the lounge for attendees to charge their mobile devices while “recharging” themselves with a massage. The lounge will focus on wellness activities to enhance the attendee experience and will be open all three days during exhibit hall hours.

• Naming rights to the Recharge & Connect Exhibit Hall Lounge
• Featured placement in promotional email to PSTM attendees inviting them to visit the Recharge & Connect Exhibit Hall Lounge
• Lounge signage with company logo recognition
• Recognition in PSTM section of the ASPS Mobile App, Onsite Guide and select ASPS Plastic Surgery The Meeting marketing materials
• Opportunity to provide wellness programming in the lounge

INTERNATIONAL CENTER: $30,000 (Exclusive)
Expected Reach: 600
The international influence at Plastic Surgery The Meeting continues to grow year after year and the International Center is always the central hub for all international PSTM attendees. Traditionally a popular location for our international attendees to relax and socialize, this exclusive lounge allows for targeted exposure to the international community. Have exclusive access to touch base with the international community in the International Center.

WIRELESS INTERNET: $25,000 (Exclusive)
Expected Reach: 3,300
Keep attendees connected and sponsor the wireless internet at the convention center. Your support provides the wireless network for the entirety of the program. When attendees accept the wireless agreement, they will be redirected to a website of your choice.

PSTM SECTION OF THE ASPS MOBILE APP SPONSOR: $30,000 (EXCLUSIVE)
Expected Reach: 3,300
Make a splash with the attendees. Have your advertisement link directly from the PSTM section of the ASPS Mobile App splash screen. Attendees will see your brand at each launch of the PSTM section of the ASPS Mobile App, which is the onsite resource for attendees and exhibitors to view the current program and their personal schedules. This sponsorship includes recognition in all program materials: print, online and onsite, including the app instructions published in the program and included in the registration bag.

Branded Items

HOTEL CUSTOM KEY CARDS: $30,000 (Exclusive)
Expected Reach: 1,500 Attendees
Custom branded hotel key cards ensure that your company name or product is the last one seen at the end of every day and the first one seen each morning.

IN-ROOM DROP: $15,000 (Three Available)
Expected Reach: 1,200 Attendees
Each evening, one item will be placed in attendee rooms for them to receive upon their return. Limit one per day. Supporter is responsible for item cost.

Signage

Branding:
Columns: $8,000 - $10,000
Banners: $8,000 - $87,500
Wall Clings: $6,000 - $40,000
Escalators & Stairs: $25,000 - $68,750
Meter Boards: $10,000 - $12,500

PSTM SECTION OF THE ASPS MOBILE APP: $7,500
Connect with attendees before, during and after PSTM with this digital advertising placement. The PSTM section of the ASPS Mobile App is the go to source for making plans prior to the meeting, attending onsite and accessing attendee resources after the meeting ends. Advertisements rotate on page change and are included on all pages without educational content.

SATELLITE SYMPOSIA: $22,000 - $32,000
Satellite Symposia are a great way to reach Plastic Surgery The Meeting (PSTM) attendees, allowing you to engage with plastic surgeons and showcase your newest product or service in a setting of your choice. Room space at the Innovation Luncheon Theatre on the PSTM exhibit hall floor is available as part of the Satellite Symposium fee.* Times are available during Thursday, Friday, and Saturday evenings; Friday, Saturday and Sunday mornings, and during dedicated education programming breaks.

Although your organization is responsible for marketing your Satellite Symposium, ASPS will include your Satellite information in these promotional materials:
• PSTM section of the ASPS mobile app
• PSTM registration site
• Registration Bag insert
• PSTM website
• Email to all pre-registered attendees

Times and fees
• Breakfast: $22,000
• Morning Break: $22,000 (45 minutes)
• Lunch: $30,000
• Afternoon Break: $22,000
• Dinner: $32,000

PLASTIC SURGERY
THE MEETING

Opening Ceremonies and Welcome Reception

October 26, 2023 | Austin, TX
Audience: Plastic Surgeons, Residents, Medical Students, Special Guests
Expected Audience: 1,600

Activity Description
Opening Ceremonies & Welcome Reception is THE event of Plastic Surgery The Meeting, celebrating all that plastic surgery has to offer and the amazing advances that have been made in the specialty over the past year. Hosted by the leadership of all PSTM partners, attendees are treated to top notch entertainment, world-class food and a truly unforgettable experience to kick off the premier meeting of our specialty.

Welcome Reception Sponsorship: $30,000
Host PSTM attendees in style for the Welcome Reception in a custom lounge. Attendees will enjoy the opportunity to relax and mingle in an upscale space with soft seating, food, beverage and a rockin’ theme. Continuing throughout the evening, the Welcome Reception will feature a great band for an experience attendees will remember. ASPS will select all decor, food and beverage, and will manage all program details.
• Podium recognition of company support by ASPS President during Opening Ceremonies and Welcome Reception
• Company logo recognition on stage presentation screen prior to Opening Ceremonies and during Welcome Reception
• Naming rights to lounge seating areas scattered throughout the Welcome Reception with the ability for sponsor to customize their selected lounge
• Company logo recognition on signage throughout the event
• One (1) full page advertisement in the Opening Ceremonies program
• Twenty (20) invitations to Welcome Reception
• Company logo placement alongside PSTM Logo at Step & Repeat Banner at the Welcome Reception with PSTM themed props
PATIENTS OF COURAGE

Event Overview
October 26, 2023 | Austin, TX
Audience: Plastic Surgeons, Residents, Medical Students, Public
Expected Attendance: 1,600

Activity Description
The Patients of Courage: Triumph Over Adversity program honors reconstructive plastic surgery patients whose lives were restored through reconstructive plastic surgery and whose charitable actions influence the lives around them. ASPS members nominate patients who carry an optimistic outlook on life and positively affect people around them, despite the difficulties of their reconstructive procedures. These extraordinary reconstructive plastic surgery patients are honored by ASPS at its annual scientific meeting during Opening Ceremonies.

CORPORATE SUPPORT OPPORTUNITIES

RESIDENT AND MEDICAL STUDENT PROGRAMMING

Senior Residents Conference
October 26, 2023
Audience: Senior Plastic Surgery Residents
Expected Attendance: 150

Activity Description
Residency comes with the unique challenge of focusing on clinical education and training while preparing to launch a practice. ASPS Resident and Medical Student programming has been developed and modified based on feedback from attendees to help take away the surprises during the transition from residency to practicing surgeon. Veterans of the specialty share personal experiences and expert guidance on the interview process, team building, practice management, research, clinical topics and more.
