MAY 19-26 | **LOCATION:**
2021 | **VIRTUAL**

PROGRAM

MAY 19**WEDNESDAY****8-9 p.m. EST *Mastering Congressional Meetings 101 Live* (optional)***

First time Advocacy Summit attendees are encouraged to join us and learn more about what they can expect for the optional Virtual Hill Day. During the 101 training, attendees will learn how to conduct their virtual meetings with members of Congress, how the Society selects the priority issues for the Hill visits and the significance of these congressional meetings in advancing the Society's advocacy agenda.

**A recording of this prep session will be available to attendees in advance of the Virtual Hill Day*

MAY 20**THURSDAY****8-9:30 p.m. EST *Live* Federal Legislative Briefing***

Physicians will learn about the federal legislative issues that they will present during their virtual meetings on Capitol Hill with U.S. Senators and Representatives from their state. During this presentation, physician leaders will walk attendees through the talking points that they should present during congressional meetings and provide them with insight into the importance of these legislative issues to the specialty.

**A recording of this prep session will be available to attendees in advance of the Virtual Hill Day*

MAY 23**SUNDAY****5-6:30 p.m. EST *Future Leaders Summit (Residents and Fellows)***

Select residents and fellows will be invited to represent their resident program at this event to learn more about how advocacy impacts the future of plastic surgery and to begin to map out their role in shaping that future. Attendees will also learn how they can get directly involved in ASPS's advocacy efforts. This session will be a great opportunity for attendees to network with their colleagues from across the country and interact with ASPS's advocacy leaders. For more information, please contact Darcy McLaughlin at DMcLaughlin@plasticsurgery.org.

Final time to be determined based on the attendee's availability

7-8:30 p.m. EST *Plastic Surgery Physician Leaders Forum*

Current local, state and regional plastic surgery society physician board members, lobbyists, and staff are encouraged to attend this session where they will exchange best practices and discuss the challenges their respective societies face in advocacy and general society management. This is the only opportunity all year for these leadership focused discussions.

Final time to be determined based on the attendee's availability
