Dashboard

- If you oversee multiple training programs, please make sure to select the proper program from the drop down at the top of the dashboard (Independent or Integrated)
  Please note there is a single Boot Camp location (Tampa, FL) for 2023.

- Select participating (PGY1) residents, by checking the box before the resident's name.

  – For new residents who do not appear in your selection list, scroll to bottom and select **+ ADD NEW RESIDENT** and follow the prompts

  – Limit of one Boot Camp registration per resident.

- Click next

- Once all information is completed, please click, register

If a resident does not appear in the ACAPS modal, they need to be added as PGY1 residents to the program at the bottom of the page.

All registrations must be received no later than WEDNESDAY, JUNE 7, 2023.

Residents are not eligible to self-register.

PLEASE NOTE all registration is to be completed by Program Coordinator or Training Program Director. No resident registration will be accepted.

Hotel and related travel expenses are not included in the Boot Camp registration. All travel expenses are the responsibility of the Training Programs and/or resident participant.

PROGRAM LOCATION
University of South Florida, Tampa, FL
Fri., July 28 – Sun., July 30

For registration assistance, please contact ASPS Member Services at **registration@plasticsurgery.org** or by calling **(800) 766-4955** before Wednesday, June 7, 2023.

Important: To provide the most accurate reporting, please be sure to register all program residents under their correct program ID.
