Individuals who do not reside and practice in the United States or Canada are eligible to be considered for Active Membership or, if they so desire, International Membership in the Society.

C) Application Procedure: An applicant for Active Membership must be sponsored by two (2) Active or Life Active Members who are familiar with the individual’s professional competence, ethics, and moral standing. One sponsor shall practice within the same geographic region as the individual. The sponsors shall propose the individual to the Membership Compliance Subcommittee, which shall evaluate the individual on the basis of the criteria set forth in these Bylaws and recommend approval or disapproval of membership to the Board of Directors. Election to Active Membership shall be by a majority vote of the Board at a meeting at which a quorum is present. If the Board of Directors does not elect an applicant to membership, the applicant may request a hearing before the Trustees.

The hearing shall be conducted pursuant to Section 12 of this Article. The decision of the Trustees on the application shall be final. Individuals who are not approved after a hearing or who do not receive the affirmative vote of the Board of Directors shall be removed from the lists of Candidates for Membership in the Society. Such individuals may apply again for Active Membership, provided they fulfill the requirements pertaining to Active Membership then in effect.

It shall not, however, affect the individual’s obligations to the Society. If non-compliance continues, the Society will drop the member or Candidate for Membership from the Society.
