Expert Witness Affirmation for Compliance with ASPS Code of Ethics

As a member of the medical profession and the American Society of Plastic Surgeons, I affirm my duty, when giving evidence or testifying as an expert witness to do so solely in accordance with the merits of the case. Furthermore, I declare that I will uphold the following professional principles in providing expert evidence or expert witness testimony.

1) I will always be truthful.

2) I will conduct a thorough, fair and impartial review of the facts and the medical care provided, not excluding any relevant information, and will testify as to their conduct fairly, honestly and impartially.

3) I will provide evidence or testify only in matters in which I have recent and substantive clinical experience and knowledge in the areas of medicine which are the subject of the proceeding.

4) I will evaluate the medical care provided in light of generally accepted standards, with which I will be familiar, neither condemning performance that falls within generally accepted practice standards nor endorsing or condoning performance that falls below these standards.

5) I will provide evidence or testimony that is complete, objective, scientifically based and helpful to a just resolution of the proceeding.

6) I will make a clear distinction between a departure from accepted practice standards and an untoward outcome.

7) I will determine whether there is a causal relationship between the alleged substandard practice and the medical outcome.

8) I will make a clear distinction between my personal opinion and accepted practice standards.

9) I will submit my testimony to peer review, if requested by a professional organization to which I belong.

10) I will not accept compensation that is contingent upon the outcome of the litigation.
