

EHR Evaluation Tool

INSTRUCTIONS: Write the names of the vendors you are comparing in the respective columns. Score each vendor on a scale from 1 (poor) to 5 (excellent) on each of your prioritized items. Total up your ratings for each vendor to help make your comparisons.

Functionality/Usability	Priority	Insert name of vendor A	Insert name of vendor B	Insert name of vendor C
EHR is certified as meeting the capabilities, specifications, and data security requirements of federal reporting programs. (i.e., the EHR is CEHRT.)	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
EHR meets the needs of individual practitioners as well as group practices.	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Has the EHR has been sold to and/or is currently in use by a sufficient number of physicians and group practices?	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Does the EHR provide the built in ability to upload pictures to a patient's chart?	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
If pictures are able to be uploaded into a patient's chart, can you compare 2 or more pictures side by side?	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Does the EHR provide the built in ability to prepare and print multiple quotes for procedures for a patient without billing the procedure(s) (i.e. without creating a bill or a receivable)?	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Does the system have the ability to sync with different registries?	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Is the EHR cloud-based?	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Is the EHR available for iPad, iPhone, and Android mobile platforms?	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Does the system allow for custom templates specific to plastic surgery?	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
If multiple physicians from my practice want to use the EHR, does the vendor have a tiered pricing and/or volume discount structure?	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
What are the training and implementation costs?	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Does the system allow for reasonable modification and customizations?	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
If the EHR has an alert system to notify me of overdue tasks, can these notifications be turned on/off?	<input type="checkbox"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
