Patients of Courage is an annual awards program that honors patients whose lives were changed or saved through reconstructive plastic surgery who now give back to their communities through charitable efforts.

Help us inspire others and share their stories by nominating them to be a Patient of Courage.

Nomination deadline: April 1, 2020

Additional requirements, include:

- The patient’s name, age and contact information (address, phone, and e-mail, for internal use only)
- A short description of treatment (lengthy descriptions of surgical treatments are discouraged)
- An explanation of how the patient successfully recovered
- An explanation of how the patient turned his or her journey into a positive life-changing experience
- A description of how the patient gives back to others in the community

Email application to kmims@plasticsurgery.org or call 847-981-5432
