Midwestern Plastic Surgery Practice Wichita, KS

We are the longest standing private plastic surgery group practice in the state of Kansas, with our own facility which includes an ASC and full spectrum medspa. We enjoy both a busy cosmetic practice and a strong referral base for general plastic surgery & reconstruction. Someone with an interest in cosmetic and functional rhinoplasty would complement our practice nicely but this is not necessary. Hand surgery expertise would also fit well. Wichita is a very family-friendly region with great schools, a collegial physician atmosphere, and a low cost of living.

NEW YORK
PLASTIC SURGICAL GROUP
A DIVISION OF LONG ISLAND PLASTIC SURGICAL GROUP, PC

SEEKING A PLASTIC SURGEON TO JOIN OUR PRIVATE PRACTICE!

New York Plastic Surgical Group (NYPS Group) is the nation's largest private academic plastic surgery practice serving Long Island and the New York metro area. Established in 1948, NYPS Group has treated over a half a million patients and in addition, developed many of the region's specialty centers including hand surgery, microsurgery, burn surgery, wound care, facial reanimation, peripheral nerve reconstruction, and cleft lip and palate care.

The practice has directed and continues to contribute to resident education since 1954. NYPS Group is committed to both Independent and Integrated ACGME accredited plastic surgery residency programs. Our 22 plastic surgeons practice out of 11 affiliated offices, ambulatory surgery centers, and 20+ hospitals.

We are looking for an additional Board Certified/Board Eligible Plastic Surgeon that is fellowship trained to join this private academic practice. This position would have the full support of NYPS Group to build a practice that suits the surgeon's interest whether it be cosmetic, reconstructive, hand, craniofacial, transgender, etc.

Our practice offers a full comprehensive benefit program and a competitive salary. Long Island has a strong economy, excellent school systems with easy access to New York City and diverse attractions from the famed beaches of the Hamptons, Fire Island and Jones Beach to historic Gold Coast Mansions, award-winning vineyards, and eclectic dining.

Learn more about us at nyplasticsurgical.com. If interested, please email resume/CV to Gary Blank, DPM, MBA at gblank@nyplasticsurgical.com

MD Anderson  Cooper
Cancer Center

Making Cancer History®

Plastic Surgeon/Microsurgeon at Cooper University Hospital in Camden, N.J.

Job Description: The Division of Plastic Surgery in the Department of Surgery at Cooper University Hospital is recruiting for a faculty position at the rank of Assistant Professor of Surgery or above. Qualified candidates should possess or be eligible for certification by the American Board of Plastic Surgery. The ideal candidate will have a strong interest in reconstructive microsurgery and have completed a microsurgery fellowship. The selected candidate will provide general plastic surgery services and also comprehensive breast, head and neck and extremity reconstructive services as part of multi-disciplinary teams working at the Cooper University Hospital and MD Anderson Cancer Center at Cooper. The selected candidate will also function as a member of the teaching faculty at the Cooper Medical School of Rowan University training residents in the Cooper Plastic Surgery Integrated Residency program as well as teaching medical students and rotating surgery residents and engaging in clinical research.

Cooper University Hospital, the clinical campus of Cooper Medical School of Rowan University, is the leading provider of health services to Southern New Jersey. Cooper's main hospital is located in Camden, NJ, right across the river from Philadelphia. Cooper also has satellite offices in the surrounding suburbs, including Cherry Hill, Moorestown, Voorhees and Washington Township with a surgery center based in Voorhees.

MD Anderson Cancer Center at Cooper supports nearly 125,000 patient visits annually treating all types of oncologic diseases. Today, MD Anderson Cancer Center at Cooper is one of the leading cancer centers in the region. In a state-of-the-art facility, over 400 clinicians, nurses, therapists, and technicians provide clinical excellence, compassionate care, and a collaborative, disease-site-specific approach to fighting cancer.

The Division of Plastic Surgery at Cooper University Hospital is an expanding program with 7 surgeons who function in a team-based atmosphere.

The Division of Plastic Surgery is committed to the recruitment of a diverse group of physicians and all candidates, regardless of race, gender, color, or creed are encouraged to apply for this position.

This is an outstanding and unique opportunity for either a young plastic surgeon or a surgeon with practice experience to establish and grow an academic practice and be part of a very strong and growing residency program.

Academic appointment and compensation commensurate with training and experience.

Contact: Interested candidates please send your CV and cover letter to:
