

Analgesia/Addiction

- Fentanyl Citrate (Sublimaze) Injection (**Currently in Shortage**)
- Hydromorphone Hydrochloride Injection, USP (**Currently in Shortage**)
- Ketoprofen Capsules (**Currently in Shortage**)
- Ketorolac Tromethamine Injection (**Currently in Shortage**)
- Methadone Hydrochloride Injection (**Currently in Shortage**)
- Methocarbamol Tablets (**Currently in Shortage**)
- Morphine Sulfate Injection, USP (**Currently in Shortage**)
- Promethazine (Phenergan) Injection (**Currently in Shortage**)
- Remifentanyl (Ultiva) Lyophilized Powder for Solution Injection (**Currently in Shortage**)

Anesthesia

- Atropine Sulfate Injection (**Currently in Shortage**)
- Bupivacaine Hydrochloride and Epinephrine Injection, USP (**Currently in Shortage**)
- Bupivacaine Hydrochloride Injection, USP (**Currently in Shortage**)
- Ketamine Injection (**Currently in Shortage**)
- Lidocaine Hydrochloride (Xylocaine) Injection (**Currently in Shortage**)
- Lidocaine Hydrochloride (Xylocaine) Injection with Epinephrine (**Currently in Shortage**)
- Methadone Hydrochloride Injection (**Currently in Shortage**)
- Ropivacaine Hydrochloride Injection (**Currently in Shortage**)

Anti-Infective

- Cefazolin Injection (**Currently in Shortage**)
- Cefepime Injection (**Currently in Shortage**)
- Cefotaxime Sodium (Claforan) Injection (**Currently in Shortage**)
- Cefotetan Disodium Injection (**Currently in Shortage**)
- Cefoxitin for Injection, USP (**Currently in Shortage**)
- Erythromycin Lactobionate for Injection, USP (**Currently in Shortage**)
- Gemifloxacin Mesylate (Factive) Tablets (**Currently in Shortage**)
- Imipenem and Cilastatin for Injection, USP (**Currently in Shortage**)
- Metronidazole Injection, USP (**Currently in Shortage**)
- Mupirocin Calcium Nasal Ointment (**Currently in Shortage**)
- Nystatin Oral Suspension (**Currently in Shortage**)
- Piperacillin and Tazobactam (Zosyn) Injection (**Currently in Shortage**)

Other (IV solutions and Electrolytes Only)

- Dexamethasone Sodium Phosphate Injection (**Currently in Shortage**)
- Dextrose 5% Injection Bags (**Currently in Shortage**)
- L-Cysteine Hydrochloride Injection (**Currently in Shortage**)

Medication shortages as of June 3, 2019

- Sincalide (Kinevac) Lyophilized Powder for Injection (**Currently in Shortage**)
- Sodium Chloride 0.9% Injection Bags (**Currently in Shortage**)
- Sodium Chloride Injection USP, 0.9% Vials and Syringes (**Currently in Shortage**)
- Sterile Water (**Currently in Shortage**)

Cardiovascular

- Epinephrine Injection, 0.1 mg/mL (**Currently in Shortage**)
- Dobutamine Hydrochloride Injection (**Currently in Shortage**)
- Dopamine Hydrochloride Injection (**Currently in Shortage**)
- Labetalol Hydrochloride Injection (**Currently in Shortage**)
- Lidocaine Hydrochloride (Xylocaine) and Dextrose Injection Solution-Premix Bags (**Currently in Shortage**)

Dermatology

- Dexamethasone Sodium Phosphate Injection (**Currently in Shortage**)
- Eflornithine Hydrochloride (Vaniqa Cream) (**Currently in Shortage**)

Endocrinology/Metabolism

- Dexamethasone Sodium Phosphate Injection (**Currently in Shortage**)
- Dextrose 50% Injection (**Currently in Shortage**)
- Phosphate Injection Products (**Currently in Shortage**)
- Potassium Chloride Injection (**Currently in Shortage**)
- Progesterone Injection, USP (**Currently in Shortage**)
- Scopolamine Transdermal System (**Currently in Shortage**)
- Sodium Bicarbonate Injection, USP (**Currently in Shortage**)
- Sodium Chloride 23.4% Injection (**Currently in Shortage**)
- Sodium Phosphate Injection (**Currently in Shortage**)

Gastroenterology

- Calcium Chloride Injection, USP (**Currently in Shortage**)
- Dexamethasone Sodium Phosphate Injection (**Currently in Shortage**)
- Dextrose 5% Injection Bags (**Currently in Shortage**)
- Metoclopramide Injection, USP (**Currently in Shortage**)
- Multi-Vitamin Infusion (Adult and Pediatric) (**Currently in Shortage**)
- Ondansetron Hydrochloride Injection (**Currently in Shortage**)
- Promethazine (Phenergan) Injection (**Currently in Shortage**)
- Sodium Bicarbonate Injection, USP (**Currently in Shortage**)
- Sodium Chloride 0.9% Injection Bags (**Currently in Shortage**)

Hematology

- Heparin Sodium and Sodium Chloride 0.9% Injection (**Currently in Shortage**)
- Dexamethasone Sodium Phosphate Injection (**Currently in Shortage**)

Ophthalmology

- Azithromycin (Azasite) Ophthalmic Solution 1% (**Currently in Shortage**)
- Dexamethasone Sodium Phosphate Injection (**Currently in Shortage**)
- Erythromycin Ophthalmic Ointment (**Currently in Shortage**)
- Fluorescein Injection (**Currently in Shortage**)
- Fluorescein Sodium and Benoxinate Hydrochloride Ophthalmic Solution (**Currently in Shortage**)
- Fluorescein Strips (**Currently in Shortage**)
- Latanoprost Ophthalmic Solution 0.005% (**Currently in Shortage**)
- Prednisolone Acetate 1% Ophthalmic Suspension (**Currently in Shortage**)

Psychiatry

- Haloperidol Tablets (**Currently in Shortage**)
- Hydroxyzine Pamoate Oral Capsules (**Currently in Shortage**)

Pulmonary/Allergy

- Aminophylline Injection, USP (**Currently in Shortage**)
- Diphenhydramine Injection (**Currently in Shortage**)
- Epinephrine Injection, 0.1 mg/mL (**Currently in Shortage**)
- Epinephrine Injection, Auto-Injector (**Currently in Shortage**)
- Promethazine (Phenergan) Injection (**Currently in Shortage**)
- Sclerosol Intrapleural Aerosol (**Currently in Shortage**)
- Sterile Talc Powder (**Currently in Shortage**)

Rheumatology (Steroids and NSAIDs only)

- Dexamethasone Sodium Phosphate Injection (**Currently in Shortage**)
